Array 7X DL RS Installation Manual

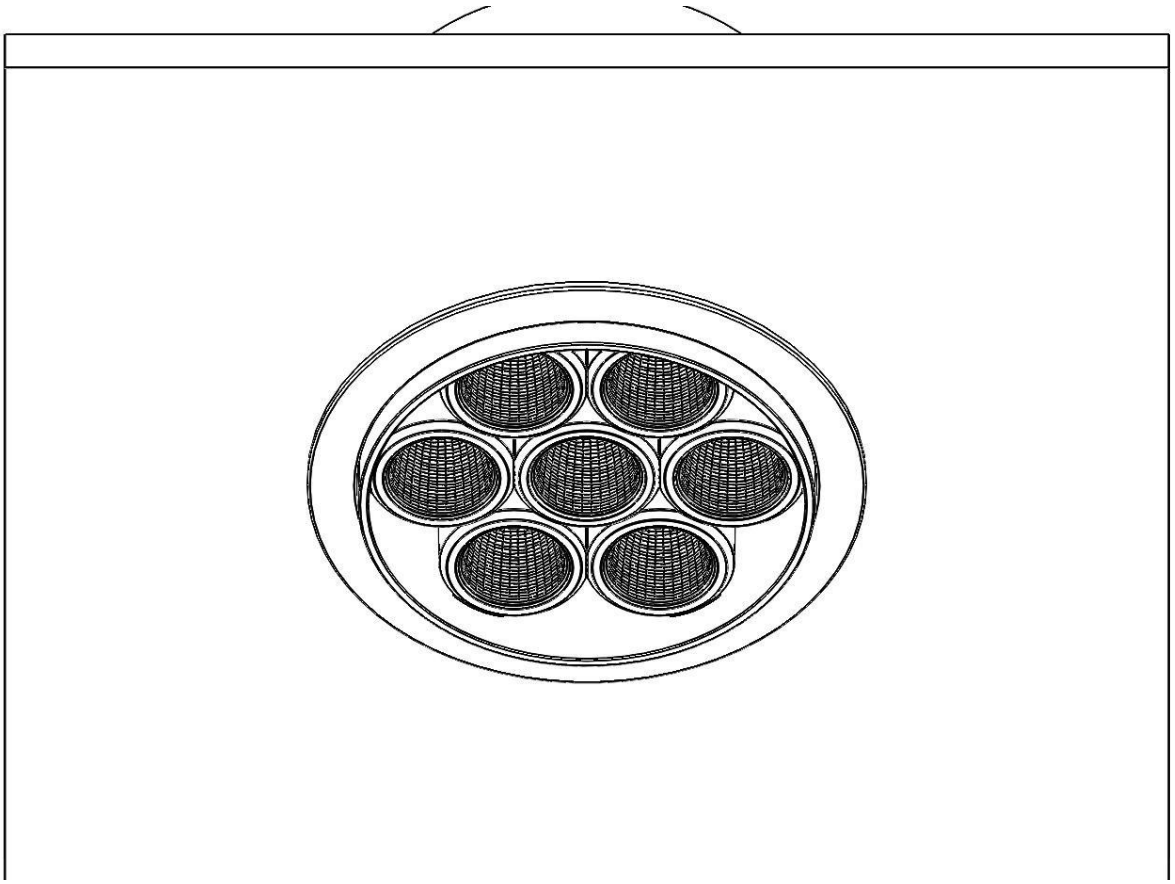

Step 1: Ensure the mains power is turned off. Cut a hole of 115mm diameter.

Step 2: Pass the LED driver through cut out and connect to main power supply. Connect the fixture to LED driver output with quick connector. Press the toggles and insert the fixture into the cut out.

Step 3: Press the toggles and insert the fixture into the cut out.

Installation is complete. Lights can be Turned On!
